Sexton: _____

Organist: _____

Person/group requesting use: _____

Request received: _____ Sexton assigned: _____

Notes:

PARK CENTRAL PRESBYTERIAN CHURCH POLICIES FOR BUILDING USE

Please allow 1-7 business days to process building use request

REQUESTS AND APPROVAL FOR USE

- One of the pastors may approve the use of PCPC's facilities for any groups who have been previously approved for similar requests by the Board of Trustees.
- All *requests for use of the facilities must have an approved request form* (the back of this sheet) for the date and event requested on file in the church office before that event can be scheduled on the church calendar.

LEAVING FACILITIES AS FOUND

Any use of the building by groups that are not part of PCPC presumes that they will leave the building as it was found. The more thorough cleaning tasks, such as emptying trashcans and cleaning bathrooms, are done on a regular basis by the church staff.

Should the church staff require additional hours of cleaning following building use by groups that are not part of the church, the additional cleaning hours will be charged to those who used the building at a rate of \$20 per hour.

The church sexton finishes cleaning the building for Sunday at noon on Thursdays.

Should a group that is not part of PCPC schedule to use the building between noon Thursday and Sunday AM, that group is responsible for a thorough cleaning of the facilities, including – but not limited to – scrubbing bathrooms, emptying trash, and vacuuming all areas!

The kitchen facilities always require particular care. Instructions on the use of the various pieces of kitchen equipment are posted.

SECURITY

- **The Fayette Street entrance to the parish house should remain locked (with push-bar egress possible) at all times** unless there is someone physically present at the doors to monitor people coming in.
- Whenever there is a gathering in the sanctuary, fire code requires that the Narthex doors to the sanctuary must be unlocked. For security, someone must be physically present in the narthex to monitor people coming in.
- Any group using the facilities is responsible to determine if they are the last to leave the buildings. The last group to leave is responsible for turning out all lights, setting the alarm system, and locking all exterior doors with deadbolts.

SHARING EXPENSES FOR SANCTUARY

The parish house is cared for regularly during the week and does not incur any major cost in using parts of it for meetings and other gatherings. However, because the sanctuary does require significant additional care when it is used, the church asks that any non-PCPC groups that use the sanctuary help maintain it as noted above. Unlike other groups who are asked to contribute towards heating and other expenses of the sanctuary space, as musical partners, Civic Morning Musicals, Society for New Music, and CNYAMT will incur no costs for use of this space if it is left as it was found.

If you have any questions about these policies, the location of cleaning supplies or other specifics, please contact the church office.
