Recognition for Zach Jones

Zach Jones, who graduated from Bishop Grimes High School on June 10, was honored during worship the next day.

The Rev. Andrew McTyre announced that Zach will be attending Nazareth College in the fall and hopes to pursue veterinary medicine.

"Thanks to his beaming grandparents, we know that Zach received the Bishop Grimes Christian Living Award for the Class of 2017," Andrew said.

He explained that the award is the highest that the school gives. It stresses dedication, cheerfulness, kindness, and selflessness in the giving of one's time and gifts, and a mature spirit of faith and prayer.

"We couldn't have said it any better," he added. "We also have been blessed in this place by the light of God shining through your life." Zach has served little ones at Vacation Bible School and taught Spanish to adult learners so they can reach out to more people in our community. He has sung in the choir during worship and on his own at an event to create community between kids and police officers. He has nurtured his faith by consistently joining the community in worship and learning, and has practiced loving kindness among the community with "a generous heart and the warmest of smiles."

Zach was presented with what Andrew described as a "hefty study Bible," and was assured that "Our love and prayers go with you" on the road ahead. "May it be a guide to light your path and draw you closer to God. May it become battered and worn as you continue in the way of love."

The congregation responded with enthusiastic applause.

Fellowship hour after worship

Do you wish you could help with fellowship hour, but are not sure how to proceed? There are several ways you can help.

- If you would like to "do" the fellowship hour, it is not complicated. There is plenty of help in learning the details. Jane Garrett is the most familiar with the process. She is glad to assist or show folks the ropes while she is here from September through June.
- If you would like to participate and doing this alone seems daunting, you can team up with another person or couple of people.
- If you would like to bring something to be served at fellowship hour, that is also welcome. It helps for the office to know a week ahead so that plans can be made accordingly.
- If you would like to be reimbursed for expenses, be sure to save your

receipts. You can give these to Joan Deppa or Andrew McTyre.

- During the summer, there is especially a need for people to fill in. You can plan the whole coffee hour or find someone to share the responsibilities.

If you have any questions, please seek me out either at church or by email: egardner4@twcny.rr.com. Thank you!
